

## NEWS RELEASE

FOR IMMEDIATE RELEASE  
January 2013

Eco Verde, LLC. Is pleased to announce the appointment of BAU/HOPKINS as our Representative servicing the New England Markets. Many of you may already know BAU/HOPKINS and are aware of the technical expertise and reliable customer service. All of their personnel are now ready to assist you with your Odor Control requirements.

As a leading expert in odor control solutions, Eco Verde designs, manufactures and distributes solutions ranging from bioscrubbers (our preferred green method) to carbon absorbers and compact odor control systems. Having all of these options means Eco Verde can offer solutions that effectively address the needs of industrial, municipal and mass transit.

Should you have any questions or require additional information on any of our product or services, BAU/HOPKINS can be reached at the following locations:
