## **FORCE FLOW SELECTS BAU/HOPKINS**

Force Flow is pleased to announce the appointment of BAU/HOPKINS as our Representative servicing the New England Markets.

Many of you may already know BAU/HOPKINS and are aware of the technical expertise and reliable customer service. All of their personnel are now ready to assist you with your Water Quality requirements.

Force Flow specializes in Monitor and Control chemical feed at your water treatment plant or in your industrial process. Weight-based and ultrasonic systems for monitoring chemical usage, level and feed rate. Also automated onsite chemical dilution and day tank auto refill systems.

Should you have any questions or require additional information on any of our products or services BAU/HOPKINS can be reached at the following locations:
