

BAU/HOPKINS NEWS RELEASE

Hiller Separation & Process Selects BAU/HOPKINS

December 2015

Hiller Separation & Process is pleased to announce the appointment of BAU/HOPKINS as our Representative servicing the New England Markets.

Many of you may already know BAU/HOPKINS and are aware of the technical expertise and reliable customer service. All of their personnel are now ready to assist you with your Water Quality requirements.

Hiller is family owned, West German based, manufacturer with over 40 years' experience developing decanter centrifuges and systems for solid-liquid separation. Hiller offers leading centrifuge technology with customized solutions designed to fit your specific needs. With their corporate office located in Lampasas Texas, Hiller is proudly servicing North America.
