Mechanical Associates is pleased to announce the appointment of BAU/HOPKINS as our Representative servicing the New England Markets.

Many of you may already know BAU/HOPKINS and are aware of the technical expertise and reliable customer service. All of their personnel are now ready to assist you with your Water Quality requirements.

Mechanical Associates has over 50 years of experience manufacturing canal gates, slide gates and flap gates. Experts in municipal, water and waste water, industrial, Ag, flood, estuary, and more, Mechanical Associates has been providing quality products and solutions for water control and management to public utilities, municipalities, the farming community, and industrial organizations. The company manufactures precision fabricated and innovatively designed mechanical gates that fulfill a variety of water flow control needs.
