Newterra is pleased to announce the appointment of BAU/HOPKINS as our Distributor servicing the New England Markets.

Many of you may already know BAU/HOPKINS and are aware of the technical expertise and reliable customer service.

With 150+ years pioneering clean water technology, Newterra's heritage dates back to the pioneering work of Joseph Harrison in 1863. That spirit of innovation continues to drive our development of advanced treatment technologies that

return water to nature's high standard - and allow efficient recycling and reuse.

Should you have any questions or require additional information on any of our products or services, please contact BAU/HOPKINS.
