

BAU/HOPKINS NEWS RELEASE

Schreiber Selects BAU/HOPKINS

August 2005

Schreiber is pleased to announce the appointment of BAU/HOPKINS as our Representative servicing the New England Markets.

Many of you may already know BAU/HOPKINS and are aware of the technical expertise and reliable customer service. All of their personnel are now ready to assist you with your Water Quality requirements.

When it comes to wastewater treatment, Schreiber's philosophy has always been "Improving Water Through Technology". Today their focus is simple: We improve wastewater. Since 1979 Schreiber continues to improve water through technology - With installations at more than 2,000 water treatment facilities worldwide. Schreiber has provided unique design (over 25 patents on product lines from screw pumps to tertiary filtration), outstanding fit and finish, on-site expertise and responsive service.
