

FOR IMMEDIATE RELEASE

NEWS RELEASE

March 2003

The Spencer Turbine Co. Is pleased to announce the appointment of BAU/HOPKINS as our Representative servicing the New England Markets.

Many of you may already know BAU/HOPKINS and are aware of their technical expertise and reliable customer service. All of their personnel are now ready to assist you with your water treatment system needs.

For over 100 years the Spencer Turbine Co. has specialized in innovative solution to air and gas handling problems. Thousands of installations including more than half a million centrifugal blowers and exhausters, illustrate Spencer capability for providing high efficiency, cost effective solutions. Today Spencer stands out as a US owned and operated company with a worldwide reputation for quality.

Should you have any questions or require additional information on any of our products or services BAU/HOPKINS can be reached at the following address:
