

BAU/HOPKINS NEWS RELEASE

Warminster Fiberglass Selects BAU/HOPKINS

August 1995

Warminster Fiberglass is pleased to announce the appointment of BAU/HOPKINS as our Representative servicing the New England Markets.

Many of you may already know BAU/HOPKINS and are aware of the technical expertise and reliable customer service. All of their personnel are now ready to assist you with your Water Quality requirements.

Warminster Fiberglass Company has been working with Engineers and Municipalities in the Development and Manufacture of Superior Water Treatment Products for over 50 years. Warminster Fiberglass supports the industry by working on committees to standardize fiberglass products and satisfaction. Warminster has promoted the use of corrosion resistant fiberglass products in water treatment across the U.S. in lieu of costly stainless steel, from its infancy to where it is today.
