

**CBI WALKER, INC. ANNOUNCES THE APPOINTMENT OF BAU/HOPKINS AS OUR REPRESENTATIVE SERVICING THE NEW ENGLAND MARKETS.**

Many of you may already know BAU/HOPKINS and are aware of their technical expertise and reliable customer service. All of their personnel are now ready to assist you with your water treatment system needs.

**CBI Walker, Inc**

A major supplier of process equipment to the Municipal water and wastewater market, is a subsidiary of Chicago Bridge & Iron Company, recognized for over 100 years as the worldwide leader in the design, fabrication and construction of steel plate structures. Since introducing the egg-shaped digester technology to the US in the late 1980's CBI Walker has continued to improve the ESD technology.

Recognized as the leader in ESD technology, CBI Walker provides a single source of process technology, system, fabrication, installation and start-up services for egg-shaped digester facilities in the domestic and international markets.
