

# Chemtrac Inc.

BAU/HOPKINS 508-699-9300

News Release January 2012

## Chemtrac Inc. Chooses BAU/HOPKINS

Chemtrac Inc. is pleased to announce the appointment of BAU/HOPKINS as our Representative servicing the New England Markets.

Many of you may already know BAU/HOPKINS and are aware of the technical expertise and reliable customer service. All of their personnel are now ready to assist you with your Water Quality requirements.

Since 1985, Chemtrac Inc. has been a leading manufacturer of process monitoring and

control instruments used in water, wastewater, and other Industrial process.

However, the company's reputation and growth has been built around one mission - "RESULTS for the customer". This will never change. We understand that our success depends on meeting and exceeding our customers' expectations. With defined objectives and joint commitments, we will achieve the results you want.
